Emily R. Berg

House Bill 1221-Opposed

Amendment offered by: Fraternal Order of Police

Amendment #1

On page 3, strike section "C" starting at line 1 through line 16 and insert a new section "C":

- (c) A record related to a formal complaint of job-related misconduct made against a law enforcement officer, including an record of investigation, a hearing record, or a disciplinary decision, is not a personnel record for purposes of this subtitle when:
 - 1. <u>a hearing board convened under PS 3-108 makes a finding of guilt against law enforcement officer or the law enforcement officer otherwise accepts disciplinary action;</u>
 - 2. <u>all related investigations of incident that is the subject of the formal complaint have been</u> completed; and
 - 3. the guilty finding or acceptance of disciplinary action is for a violation regarding:
 - a. <u>the law enforcement officer's use of force which resulted in death, or in grievous</u> bodily injury;
 - b. <u>an incident involving the discharge of a firearm at a person by a law enforcement officer;</u>
 - c. the law enforcement officer having engaged in a sexual assault of a member of the public;
 - d. <u>engaged in prohibited discrimination directly related to the reporting, investigation,</u> or prosecution of a crime; or
 - e. an instance where the law enforcement officer, in performance of that law enforcement officer's duties which are directly related to the reporting, investigation, or prosecution of a crime has knowingly and intentionally,
 - i. committed perjury;
 - ii. made false statements;
 - iii. filed false reports, or
 - iv. destroyed; falsified, or concealed evidence.

Amendment #2

On page 2 insert new section "D":

- D) <u>In any case where sub-section (C) applies, the identities of law enforcement officers will be redacted from any release of records for any law enforcement officer who</u>
 - 1. was not the subject of the investigation; or
 - 2. <u>did not accept disciplinary action and was not found guilty of a violation related to the incident and specified in sub-section (C)(4) above.</u>
